LIFELINE NEWSLETTER
Volume #5

Shipmates: Words cannot express my sincerest gratitude and appreciation of your support for our Tall Ships event last month. We met over 2,000 visitors along the river, handed out Boating Safety literature, signed-up prospective new members and toured the EAGLE... in addition to that; we had an opportunity to meet Rear Admiral Stephen Metruck and DCO Kevin Murphy and staff. Overall, it was a successful PA event and thanks to all that contributed to this event.
