November 2021

LIFELINE NEWSLETTER
Volume #102

Shipmates, Holiday Greetings. I hope you all are well and preparing for the upcoming festivities, which last year, many of us had to limit due to Covid. I trust many are vaccinated and all set. Last night's meeting we remembered our IPFC Glenn Oldak with a lovely tribute. Glenn was a well liked and respected member of 04-76, and shall always be remembered for his dedication and service within the Auxiliary. Also, I congratulate both Scott & Allaire for being re-elected to serve another term as FC & VFC. Let's continue to make 04-76 the FLAGSHIP within the division!

INMEMORIAL – GLENN OLDAK

We celebrated and paid honor to our fallen IPFC – Glenn Oldak last evening. In attendance were Glenn’s sister Kathy Oldak and other friends and relatives. Fellow members spoke providing memories of their relationship with Glenn and his past service to 04-76, including VE-Tall Ships and of course, being our FC. His undying service will be a beacon to follow, and I thank him for his assistance as my VFC during our transitional times.

In attendance were Scott Sigman FC, Allaire Colbert VFC, Ash Kernen FSO-CS/OP, Celia & Andrew Crawley, Gary Papouschek-FSO-VE and Pete Lacey-Past Division Commander.

WITHIN THE FLOTILLA-NEW MEMBERS SWORN IN

Welcome new members to our flotilla family:

At this time of year, give thanks to those family members present and gone for being such a life force and guide in your lives. Give them their flowers while they can “see them”. Show them how much they are appreciated. 2020 was a difficult year. Let’s make 2022 and beyond, the most grateful and productive time possible. Enjoy and be safe.

PS.. there will be no December meeting.
