August 2022**

**Lifeline Newsletter  
Volume #110**

Greetings Shipmates and what an awesome summer it has been! VE, OPS and Crew have had a spectacular season along the Delaware River. It seems like every day, they all have taken off to make the waterways a much safer place to be. OPS has logged over 120 hours this season so far, and expect to exceed their own expectations. Kim Davis has joined the ranks as VE and congratulations for this achievement! We celebrated and welcomed our new USCG Commander earlier this month at the American Legion Post 405 along with the Gold Side and other officials in Philadelphia. It has been a remarkable summer! 04-76 is on the move!!! Happy Birthday USCG!!

## **FROM THE EDITORS DESK**

*Shipmates, I'm sending out a request to all members to take a moment and consider writing an article to be included in "YOUR" newsletter.*

*Share something about yourself-any volunteer organizations you belong to-interests &/or hobbies that maybe of interest to others that share your passion.*

*This is one way of getting to know you! You never know-someone may have the same interest that can develop into fellowship..*

*Think about it and send it to me!!*

*Thanks Scott for the fantastic photos and updates you provided this issue.*
