We welcome the change in season with activities scheduled to continue to promote 04-76 whenever possible. Remember- to pay your dues by September 30<sup>th</sup>, to be qualified as a member. PayPal is an excellent method to ensure prompt receipt to Jim Campbell-FSO-FN. 2023 dues are \$55.00.

## 04-76 prepares for emergencies with CPR Certification

On Thursday, September 8<sup>th</sup>, members of 04-76 and Pete Lacey – Division Commander, participated in CPR training at the Plymouth Community Ambulance Associations facility in Plymouth Meeting. Bob Corrigan-FSO-OPS coordinated this training session with the assistance from members of the ambulance core. It was an intense session and we practiced on life-like dummies on the art of CPR for both adults and children. Each member took turns to ensure proper techniques to revive a person suffering from cardiac arrest, It was an interesting session and thanks Bob for arranging the class.

Thanks for the photos Scott!
